As a general rule, Govt does not grant scholarships for the study of Law, but in the case of Mr. Zaher a Mecca a scholarship was sanctioned with the view of encouraging the higher Education of Mahomedans Similarly in the case of Mr Abdul Bassit, late deceased Eldest son of the late Khan Bahadur Mr Abdul Rahman, a scholarship was given to enable him to study Law in England

The present application is submitted for orders

The Dewan through the 2nd Councillor

There is no analogy between this and Abdul Bassit case - Mr Zahiruddin Mecca's case was an altogether exceptional one and cannot be relied upon as a precedent - Scholarships for the study of Law are not - Nor are they given by Districts remember that the creation was disallowed in more cases than one The application may be filed No reference

OFFICE OF THE
INSPECTOR GENERAL OF EDUCATION IN MYSORE,
BANGALORE

No 190

From

H J BHABHA Esq,
INSPECTOR GENERAL OF EDUCATION IN MYSORE

To

The Secretary to the Government of Mysore in the General and Revenue Department,
Bangalore

SIR,

I have the honour to forward herewith an application from Mahomed Baig Assistant Deputy Inspector of Mysore Division West Circle in search of employment to the Law Office where Indians are employed and five years have elapsed since I was already joined the Law Office Mahomed Jaundhun Khan as Attender on Rs 15 per mensem on 1st January 1896 at the Law Office

Mr Mahomed Baig has worked satisfactorily as Accountant Deputy Inspector of Hindustani Schools for a period of two years, and improved the state of the Hindustani Schools of his circle. If Government be of opinion that Muhammadan Law students should receive special encouragement, Mr Mahomed Baig by his character abilities and application is deserving of it

I have the honour to be,
Sir
Your most obedient servant
H J Bhabha
Inspector General

Bangalore
20 January 1903

To

The Inspector General of Education in
Mysore, Bangalore

Sir,

In thanking you for getting me leave to prosecute my studies in the Law College Madras, I most respectfully beg to state that during a short period of two years I exerted hard to improve the primary education of Mahomedans in my circle. They, as a rule, on account of poverty and other causes rarely attempt for higher education. My present undertaking is with the twofold object of improving my own prospects and set an example to my co-religionists although my present pecuniary circumstances are equally narrow.

In consideration of my hard work

during this short period the Bengal Govern-
ment appreciating it was pleased to
raise my pay from Rs 55 to 80 from July
last

I need not say that the Law course
is a very expensive one and that I am
unable to complete it without help from
Government I am sorry to say that I have
not been long enough in the service to be
entitled to furlough leave and leave
allowance For these reasons I request
that you will be so kind as to recom-
mend the grant of a scholarship of Rs 25
or of a lump sum of Rs 400 to enable
me to purchase law books

As my successor will get Rs 50 a
month during my absence on leave
my present pay is Rs 80, there will be a
saving of Rs 30 a month I beg to suggest
that the extra charge which the grant

of a scholarship to me will involve may be defrayed from this saving

As a precedent I may mention Mr Zahiruddin Meccai acting assistant Superintendent of police who was kindly awarded with a scholarship of Rs 25 a month while he was studying in the Law College as a private student by Government Order No 187–88 dated 2 April 1895

As the Government of Mysore is always inclined to encourage liberally the Mahomedan Community in the matter of education, I beg that the same liberality may be extended to me who is already in its service

I beg to remain
Sir
Your most obedient servant

Schools West Circle
